

# PAEDIATRICS TODAY

www.paediatricstoday.com

## AIMS AND SCOPE

*Paediatrics Today* is an international peer reviewed biannual journal published in English which founded in 2005. We welcome all contributions that enhance or illuminate paediatric sciences. The journal publishes reviewed articles from the following paediatric fields: allergology, cardiology, dermatology, endocrinology, epidemiology, gastroenterology, growth and development, haematology, immunology, infectious diseases, intensive care, medical genetics, metabolic diseases, neonatology, nephrology, neuropaediatrics, nutrition, oncology, paediatric psychology, preventive and social paediatrics, pulmology, and urology. Additionally, *Paediatrics Today* publishes comments on published papers, letters to the editor, book reviews, professional social report, calendar of paediatric meetings and other information from paediatrics and adolescent medicine.
